## GAS RANGE 6-BURNERS ON OVEN

1.1

OUR PRODUCT :

P.8

1.2

FEATURES :

P.8

1.3

SPECIFICATION :

P.9

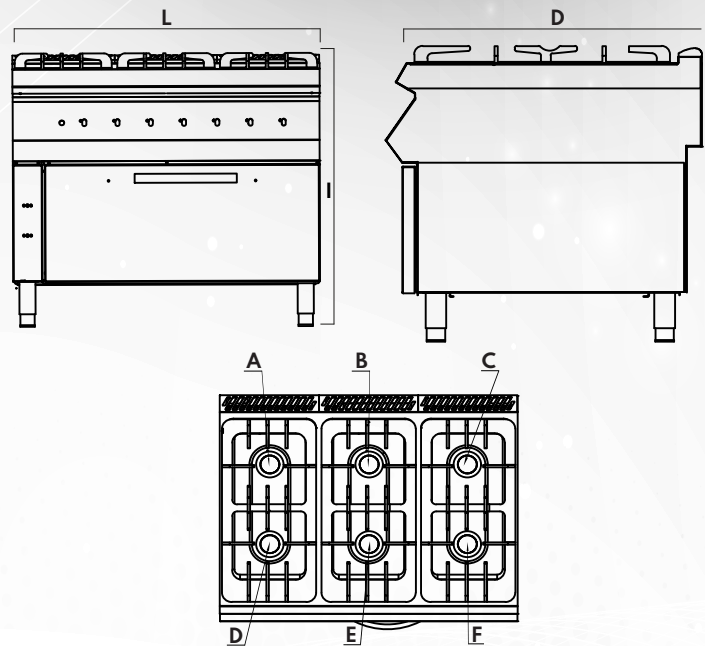

**HOSINOX** stainless steel products Company |      

## 1.1 OUR PRODUCT :

- This product is made of the finest types of stainless steel, allowing to control the height of the feet up to **50 mm**.
- This product has **6** high efficiency burners and an electric gas oven provides speed and flexibility in cooking with **3** levels.
- The worktop of this product is **1.5 mm** thick to resist.

## 1.2 FEATURES :

- Stainless steel adjustable feet up to **50mm**.
- **6** high quality **5W** burners allow to adapt flames to different sizes of pans.
- The possibility of washing the pans holder in a dishwasher.
- Burners to feature flame regulator.
- Stainless steel oven has **5** levels of runners to accommodate **2/1 GN** shelves.
- Ease of cleaning and increased power of the hob.
- Oven thermostat adjustable from **140°C** to **300°C**.
- Interior pressed plate door for thermal insulation.
- **45mm** thick stainless steel door to ensure good insulation.
- Ergonomic and strong door handles.
- High efficiency casting iron, gas burners and high quality gas.
- Valves provides power and safety.
- Rounded corners for easy cleaning.
- Burners equipped with thermocouple safety system.
- **6** Upper gas switches and 1 for oven.
- Rosting lamb.
